Address: RZF – 117/29 Street no. 39 Sadh Nagar part – 2 Palam Coloney

New Delhi - 110045

Objective:

To be a part of a company that indulges professional growth which provide challenging

and rewarding career while allowing me to utilize my knowledge and skill.

Skill:

- ❖ **Web Technology**: HTML, CSS, JavaScript, Bootstrap
- ❖ **Language**: Php , Python
- ❖ **Database**: MYSQL
- ❖ **Operating System**: Window XP, Window 10
- ❖ **Packages**: MS-Office

Other achievements:

➢ I participated in SIH Hackathon 2020 and the idea was on **Fast Emergency Service**. A convenient platform for all the emergency department of India, so that they can provide fast service where required on time. We were six members in a team and I have done R&D(Research and Development) and also arranged resources .

Education   Qualifications:

- ◆ MCA from MDU (73% Marks)(2020-2022)
- ◆ BCA from MDU with (65% Marks) (2017-2020)
- ◆ 12th Passed from CBSE (65% Marks) (2017)
- ◆ 10th Passed from CBSE (6.6 CGPA) (2014)

Project Experience:

- • **Personal voice Assistant**

  Personal voice assistant is a voice based command processer which helps to navigate within the device like Alexa, google assistant and Siri. Its created by using python and their libraries. And I have submitted it in final semester of MCA.

- • **Vijay Masale**

  Vijay Masale is a spice production company. Which is famous for its unique spice and other cooking gradients. They need a landing page where consumers can see the product option and can do queries for that particular product so I create a website using front end technology html,css,bootstrap and javascript.

- • **The Campus Writer**

  They have their own team and provide services to their clients, like digital marketing,

  Content writing, etc. This is fully dynamic and responsive website.

- • **NomadVandana**

  This is blogging and traveling website. And a platform where customers come and buy

  Service to the experts.

  This is fully dynamic and responsive website.

- Comment features

- Payment gateway integration

- WhatsApp chat integration.
